**NETWORK  
DIRECTORY**

***California***

Finding a network dentist near your home or office is easy. Just look inside. For the most current information on network dental offices in your area, search the online directory at [www.cigna.com](http://www.cigna.com) or call the Dental Office Locator at 1.800.CIGNA24 (1.800.244.6224).

*The dentists in this directory are private-practice, credentialed independent professionals, dedicated to quality care and service.*

## CIGNA Dental Care Network Directory for California

Choose your primary dentist from our dental HMO-type network. Your dental plan only covers treatment at your selected network dental office, unless it is an emergency or CIGNA Dental has authorized other arrangements. Your plan does not cover treatment from other dentists, even if they are in the CIGNA Dental Care network. Make sure you tell us which dental office you've chosen before your treatment begins so your coverage will apply. This list of providers is subject to change without notice. For the most up-to-date list of participating dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

## CIGNA Dental Care Network Directory for California

Choose your primary dentist from our dental HMO-type network. Your dental plan only covers treatment at your selected network dental office, unless it is an emergency or CIGNA Dental has authorized other arrangements. Your plan does not cover treatment from other dentists, even if they are in the CIGNA Dental Care network. Make sure you tell us which dental office you've chosen before your treatment begins so your coverage will apply. This list of providers is subject to change without notice. For the most up-to-date list of participating dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

\* These offices are currently at capacity and are not accepting new patients from our network at this time. Please read this information so you will know from whom or what group of providers dental care may be obtained. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

## CIGNA Dental Care Network Directory for California

Choose your primary dentist from our dental HMO-type network. Your dental plan only covers treatment at your selected network dental office, unless it is an emergency or CIGNA Dental has authorized other arrangements. Your plan does not cover treatment from other dentists, even if they are in the CIGNA Dental Care network. Make sure you tell us which dental office you've chosen before your treatment begins so your coverage will apply. This list of providers is subject to change without notice. For the most up-to-date list of participating dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

## CIGNA Dental Care Network Directory for California

Choose your primary dentist from our dental HMO-type network. Your dental plan only covers treatment at your selected network dental office, unless it is an emergency or CIGNA Dental has authorized other arrangements. Your plan does not cover treatment from other dentists, even if they are in the CIGNA Dental Care network. Make sure you tell us which dental office you've chosen before your treatment begins so your coverage will apply. This list of providers is subject to change without notice. For the most up-to-date list of participating dental offices, visit our website at [www.cigna.com](http://www.cigna.com).
